Hi Eligio Lara,

Your Flock Safety account is now active, please follow the steps outlined below.

1. Create your password here by clicking here. *This link will expire in 24 hours. If it does, click here to begin again.*
2. Once logged in here, based on your permissions, you can click "Feed" to search footage or "Hotlist Tool" to start getting hotlist hits. If you do not see one of these options you do not have permission set for that feature.

Be sure to save the website to your bookmarks, so you can quickly return to the site when you need to collect footage or manage users. Click here to save the site.

If you have any questions, you can always email support@flocksafety.com. Thank you and welcome to the Flock!
